### PROPERTY HIGHLIGHTS

Enjoy the beautiful views of Bosque County on this small acreage property with well-appointed home that would make a great family residence or weekend getaway. The 2475 sqft 4/2/1 house built in 1996 features a large open concept living/dining/kitchen area where family and friends can gather. The living space has vaulted ceiling with exposed wooden beams, a fireplace with oversized brick hearth and wood mantle and lots of natural light. The dining space has been finished in corrugated tin wainscoting and pine trim around the windows and floorboards for a fun, rustic feel. The kitchen has black and stainless appliances and is designed with the stove and breakfast bar facing the living space. There is also a separate eat-in area with a bay window overlooking the patio. The master bedroom has French doors, a large bay window and a master bath with dual sinks, soaking tub, large walk-in custom shower, separate vanity, and large walk-in closet. The utility room has a sink as well as room for refrigerator/freezer, and there is a separate mud room with a hanging rack and room for boot stor...
